BRADFORD ACADEMY,

BRADFORD, MASS.

Higher Education of Young Women. **Three Courses, Academic, Elective, and College Preparatory.**

It is one of the most convenient school buildings in the country, with broad front windows overlooking the valley of the Merrimack and rear ones commanding a charming view of forest and meadow. The house stands high in the middle of twenty-five acres of land, twelve of which are covered with fine shade trees. In the woods a quiet lake affords idyllic boating, and near by are leafy lanes where one may saunter in safety. The situation and size of the grounds afford unequalled opportunities for lawn tennis and basket ball, while a fine gymnasium proves very alluring.

The library, a beautifully situated room containing between five and six thousand carefully selected books, opens into a spacious reading-room. The history of art is taught by lectures and illustrations, and the walls of many parts of the vast building are illuminated by copies of the rare, highly-prized Arundel frescos. The studios for drawing and painting are very complete in casts and models, while the training is kept in sympathy with the best centres of art here and in France.

The department of music offers rare opportunities for study and proficiency as the ability and acquirements of each pupil are carefully studied. Talks, lectures and analyses of programs are periodically given. A series of vocal and instrumental recitals is given throughout the year by the most celebrated contemporaneous musicians. Modern languages are taught by resident native teachers.

Three full courses, academic, elective, and college preparatory, are open, and the most thoughtful and approved modern methods in the classics, English literature, history, mathematics, psychology and natural sciences are successfully followed.

The ventilation and drainage of the building are perfect, and the health of every pupil is the constant and vigilant care, not only of the teachers, but of the trained nurse, who is a permanent member of the family. **Send for Catalogue.**

DEPARTMENTS.

It has eight distinct Departments under sixty competent Professors, Instructors and Lecturers: Theological, Medical, including Dental and Pharmaceutical courses, Legal, College, Preparatory, Pedagogical, English, and Industrial which includes Printing, Carpentry, Book-binding, Tinning and Sewing.

NEEDS.

This University is largely supported by the gifts of the benevolent; its Theological Department by the A. M. A. While its Theological students have aid from personal friends and different benevolent societies, there is always a call for larger benefaction in aid of indigent students. Any money in aid of individuals sent to the President, or the Treasurer, will be judiciously expended.

CHRISTIAN, BUT UNDENOMINATIONAL.

This institution is always emphatically Christian. Its Instructors believe in Christianity as the only basis of true culture; but pupils here are given no denominational bias.

SELF-HELP.

Nearly all the students are able in Washington City to do something for self-help. The Government Departments, Hotels and Boarding Houses and Private Families are constantly seeking for faithful service from the University. For Catalogues, address

by the Southern States for their Negro public schools, taught by 27,000 Negro teachers. Much of this money was practically wasted through the inefficiency of a large proportion of these teachers, who had little or no special training for their work. Atlanta University is one of the most potent influences in stemming this great tide of waste. A large majority of all its living graduates are teaching, and many are teachers of teachers. One graduate has trained over two hundred teachers, who in turn are instructing 10,000 children.

Hon. G. R. Glenn, State School Commissioner for Georgia, writing of Atlanta University, says: "Many of our very best public school teachers, who are now at work in the public schools for the colored children, have either graduated at that institution or have spent a considerable time there in acquiring their professional equipment. I commend the Atlanta University very cordially to all those friends of education who may desire to help the cause of education in the South." An endowment of at least $500,000 is needed to perpetuate this work. Bequests should be made to "The Trustees of the Atlanta University" in Atlanta, Ga., and attested by three witnesses.

NOTES.

"Every church and every minister upon the rolls of the denomination" is entitled to share in the distribution of the YEAR-BOOK. For this very practical purpose, "the rolls of the denomination" must be assumed to be the tables and list of the YEAR-BOOK, and the claim of any church or minister to receive it, errors excepted, does not arise until such church is found in the YEAR-BOOK's tables, or such minister's name is enrolled and printed in its "List of Congregational Ministers" here reported and printed. To purchasers, the price is $1.00; or, in cloth, $1.25. Those entitled to receive it who prefer a cloth binding can have it in that form by sending 30 cents to

REV. HENRY A. HAZEN,
611 CONGREGATIONAL HOUSE,
BOSTON, MASS.,
or, AUBURNDALE,

to whom all correspondence relating to the YEAR-BOOK should be addressed, NOT to the Publishing Society. It is not safe or sufficient to say "Congregational House" only, as it has many rooms and occupants.

A pastor, who has resigned his active service, does not lose his claim to the YEAR-BOOK. It is due to "every minister upon the roll." A church is not entitled to two copies, one for itself and one for its minister, as is often assumed; but to its one copy. The roll is new every year, and a minister's name has no place on it simply because it was in the *last* YEAR-BOOK. It is to be reported each year, either by the church he is serving or by the conference or association of which he is a member, and which is responsible to the churches for record and report of his good standing.

The following preamble and vote adopted at the National Council, at Portland, Oregon, in July, 1898, failed in some way to be entered in the record, and so do not appear in the minutes of the Council. As the best that can be done in the case I issue them in the Year-Book, and commend them to the consideration of all whom they may concern.

They are as follows: "Inasmuch as the duality of missionary work on the same field has a tendency, to say the least, to promote and prolong divisions already existing among brethren and churches, we recommend the missionary boards of the Congregational Home Missionary Society and the American Missionary Association, as speedily as possible, to adjust their work, where it is essentially of the same kind in the same States, to the comity relation recommended by this body, so that both of them shall not be doing essentially the same kind of work in the same States. This will commend itself to the brethren as having an economical element sufficient to lead to its trial.

Voted, That the executive boards of these two societies be requested by the National Council to act as a joint committee to undertake this important work."

WILLIAM H. MOORE, *Registrar*.

INTRODUCTORY.

Alaska finds a place for the first time, in our tables, this year, on page 84. The statement there made, that "there is probably another church at Nome," has been verified by the arrival of the brave missionary, there, Rev. Loyal L. Wirt. He reports a church organized Jan. 1, of forty-three members, of whom eight are females. Raymond Robins is its licentiate pastor; Miss Edith Blake, clerk; and David J. Elliott, Sunday School Superintendent. There is a Young People's Society of thirty-nine members. They are pushing for a meeting-house, and look to the future with courage and confidence.

Our friends in Florida have anticipated action of the United States, and annexed Cuba, inserting the first church in Havana in their table, on page 118. Without counting it, we leave it standing there for the information of the many who are interested in Cuba.

The churches in the Hawaiian Islands are not yet reported, but the delegation from those churches, present at the International Council, gave confident assurance that they would soon be ready for enrolment in the Year-Book.

The Fifth-Year Statistics find place again in this Year-Book. These, with the fact that one State was not reported until May 5, have delayed the Year-Book a few days beyond the date of its issue for the last two years. It is evident, that we shall not secure the earlier Year-Book which many want, and which the churches have a right to expect, until some of the States can be induced to take effectual measures for earlier reports. It is time to recognize and emphasize the fact that two months afford ample time, and all which any State can properly ask, for the completion of its report. To this end, a time limit should be fixed, beyond which tardy churches should not be permitted to delay the reports of the body to which they belong. New Hampshire has fixed that limit at Feb. 1, and the report of New Hampshire has reached the Year-Book, last year and this, Feb. 4 and 3. Massachusetts has fixed this limit, for the present, at Feb. 15, but will, no doubt, put it earlier, as soon as it is manifestly expedient to do so. Maine, Michigan, Ohio, Oregon, Vermont, and Southern California deserve mention for the early and excellent reports sent by them; but the States whose reports were latest can do just as well as these, if they will take the same effective measures to that end. I name the States reporting later than March 20: Washington, Nebraska, Wyoming, South Carolina, and South Dakota, in March, and, later, Minnesota, Iowa, Connecticut, Florida, Georgia, and Texas. We have reason to appeal earnestly to these States to do as well as the large States of Ohio, Michigan, and Massachusetts do.

One cause of delay has been frequently named, but needs to be repeated, until the churches concerned will heed it. A few churches make the excuse for tardy reports that their annual meeting has not been held. But the prior occurrence of this meeting is no more important for a church, meeting in January, than for those meeting in February, April, or September, and the plea of these churches, if admitted, would preclude the possibility of any common date for annual reports. Any church can report on Jan. 1, as the Council requests, and *December* and not *January*, is the month in which the churches should take the time necessary to gather material for their reports.

When the churches will see to it, that every report reaches the Year-Book in January, a Year-Book in April or March can be easily secured, and that good time should not be far off.

Improvement is manifest in the care given by local reporters to their record of the

names and post-offices of ministers. No dead men have been reported as living this year; but, in some cases, a minister's post-office has been given on authority evidently no more recent than the last Year-Book. The reporter who consents to repeat the often stale report of the former Year-Book is not faithful to the trust which the churches have committed to him. He should be in touch with every man whose name he reports; and, if he does not know that a given address is probably still correct, he should not pass his ignorance along as knowledge.

The suggestion comes to the editor from several sources, that the time has come to ask ministers to make a more definite provision for the record, which the Year-Book will want to make when their work is done. When death comes it often happens that no friend remains who can answer, without much trouble, the exact questions which the Year-Book asks; while the value of this record, in the years to come, depends largely on its fulness and accuracy. Justice to each person requires similar completeness in every case. The editor will furnish to all who will apply, a list of the questions to which answer is desired. When filled out it can be sent to the editor, to be kept carefully on file, or deposited with the family, with instructions to complete, by adding date and place of death, and disease, and forwarding it to the Year-Book when the time for its use arrives.

It is not too soon to call the attention of the churches to the approach of the eleventh session of the National Council, in Portland, Me., in October, 1901. Some of the Associations and Conferences which hold their annual meetings in the autumn will need to elect their delegates this year. It will help us all to see to it, that this is made the fullest and best session of the Council ever held.

HENRY A. HAZEN,
Editor.

Vice-President. — D. WILLIS JAMES, Esq., New York, N. Y.
Corresponding Secretaries. — JUDSON SMITH, D. D.; CHARLES H. DANIELS, D. D.; JAMES L. BARTON, D. D.
Treasurer. — FRANK H. WIGGIN.
Editorial Secretary. — ELNATHAN E. STRONG, D. D.
Publishing and Purchasing Agent. — CHARLES E. SWETT.
P. O. Address of the above, Congregational House, Boston, Mass.
District Secretaries. — CHARLES C. CREEGAN, D. D., Congregational Rooms, 4th Ave. and 22d St., New York City. Rev. A. N. HITCHCOCK, PH. D., 153 La Salle Street, Chicago, Ill. Rev. WALTER FREAR, General Agent, Y. M. C. A. Building, San Francisco, Cal.

The present year is the ninetieth since the organization of the American Board. During its first year its receipts were forty-eight cents less than $1,000. During the last year it received $644,200.89. At the outset it was seriously doubted whether the churches of America could support four missionaries; last year the Board alone had upon the roll of its missionaries 529 names. At the earlier period it was doubted whether in any foreign land an entrance could possibly be secured. Now, the question is, which of the multitudes of open doors we must refuse to enter. To the twenty missions now under its care and to others which have been transferred to the care of other missionary boards, the American Board has sent, from the beginning, 2,284 missionaries and assistant missionaries, but during the past year it sent only twelve, two of them men and ten women. With the 529 American missionaries now in the field, there are laboring no less than 3,155 native assistants, of whom 234 are pastors and 525 are unordained preachers and catechists.

Aside from its evangelistic work, the Board sustains other departments of Christian labor. It has an educational department, in which there are employed no less than 1,826 native school teachers, maintaining schools of every grade, from the kindergarten to the college and theological seminary. In its higher institutions there are 8,688 students, while in its 1,137 common schools there are 43,920 pupils, making the total number under instruction over 60,000. In the medical department there are thirty-nine American physicians, ten of whom are women, most of them having under their care hospitals or dispensaries in which tens of thousands of patients are treated each year, many of them healed spiritually as well as in body. The publication work is very extensive, including the translation of the Bible, the issuing of Christian tracts, and providing a literature.

There are exactly 100 stations in which American missionaries reside, connected with which are 1,326 outstations, specially cared for by the native pastors and preachers. In the 492 churches there are now enrolled almost 50,000 members, of whom 5,047 were received on confession during the past year. The native contributions for the support of Christian work have amounted to over $135,000, a very large sum, being nearly one fourth of the amount received from living donors by the American Board. An increase of $60,000 from the home churches is required to keep the work on the present basis, to say nothing of the advance so imperatively called for. "The Forward Movement," which seeks specially to secure the support of individual missionaries by particular churches, or groups of churches, has resulted in the adoption of many missionaries, and contributions have been somewhat increased. But the churches have as yet touched only the fringe of missionary enterprise entrusted to them by the risen Lord.

Three Woman's Boards are co-operating efficiently with the American Board in its foreign work, especially in efforts to reach women and children in missionary lands.

The periodicals relating to this foreign missionary work are the *Missionary Herald*, the *Mission Dayspring*, *Life and Light for Woman*, the annual *American Board Almanac*, and a department in *Congregational Work*. The information given in these publications is essential to an adequate apprehension of the work which our churches are seeking to do for foreign missions.

(Formerly American College and Education Society and New West Education Commission.)

OFFICERS FOR 1899-1900.

STUDENT DEPARTMENT.

(Organized in 1816.)

1. PURPOSE. — To enable meritorious students for the Congregational ministry, who need financial aid, to concentrate upon their studies, to begin their work without debt, to be set free for service in hard or distant fields; that so may be provided a spiritual and equipped ministry for the gospel service. Upwards of 9,000 have been aided, of whom a large proportion have been home or foreign missionaries.

2. NUMBER AIDED. — This year, 162.

3. AMOUNT AND CONDITIONS OF AID. — A scholarship amounts to $50 and is given, at the option of a student, as a grant or as a loan. Scholarships are conditioned upon merit; a high standard of fitness, and the approval of a special committee in each institution, being required of applicants. As a legal or moral obligation to repay is undertaken, the policy elevates both scholarly and financial standards.

4. DEMAND FOR MINISTERS. — The Churches increase in number while the seminaries barely make good the losses through death. The inflow of men from other denominations reveals the demand. Only in certain regions is there a surplus. The door of opportunity was never more open for spiritual, learned, constructive men. The student scholarships of the C. E. S. represent the churches' faith in and claim upon the seminaries for producing spiritually endued and scientifically trained leaders.

COLLEGE AND ACADEMY DEPARTMENT.

1. PURPOSE. — To assist in the support of instructors and of their work in Home Missionary colleges and academies in the west and south. Most of these institutions are on Home Missionary ground and none are yet self-supporting. The wonderful growth of the country has increased the perils of materialism and selfish utilitarianism. Educational institutions, based upon the ethical and religious principles of the Christian religion, are of supreme importance; and even the public school system requires their uplifting influence and co-operation.

2. NUMBER AIDED. — 8 colleges and 17 academies.

COLLEGES.

ROLLINS, Florida.
PACIFIC UNIVERSITY, Oregon.
WHITMAN, Washington.
FAIRMOUNT, Kansas.
FARGO, No. Dakota.
POMONA, California.
SALT LAKE, Utah.
RIDGEVILLE, Indiana.

ACADEMIES.

FRANKLIN, Nebraska.
CHADRON, Nebraska.
WEEPING WATER, Nebraska.
EUREKA, Kansas.
KIDDER, Missouri.
WINDOM, Minnesota.
PROCTOR, Utah.

NORTH WISCONSIN, Wisconsin.
ENDEAVOR, Wisconsin.
IBERIA, Missouri.
HULL, Iowa.
PUGET SOUND, Washington.
WOODCOCK, Washington.
WARD, South Dakota.
KINGFISHER, Oklahoma.
GERMAN-ENGLISH, Iowa.

3. THEIR IMPORTANCE. — The colleges produce candidates for the ministry, an intelligent and Christian citizenship, and educate the leaders in the thought and life of new States and Territories. The academies are located in new regions unprovided with sufficient educational privileges. They prepare teachers for the public schools and young people for college, and afford liberal culture to many others who go forth as Christians to be the seed and strength of Home Missionary churches.

4. POLICY. — The Society's policy is to concentrate upon central colleges in each Western State. Aid has been given to twenty-two colleges, that are now strong and prosperous. It further aims to develop the academy system upon simple Home Missionary principles; and to federate, in each State, the circle of academies, standing about the central college, under the mutual care of the churches of that State and of the Society.

NEW WEST DEPARTMENT.

1. PURPOSE. — To support the mission schools and academies in Utah and New Mexico in continuance of the work of the New West Education Commission. The Christian teacher must precede the preacher; churches grow out of the schools. Homes can only be reached through work for the children. The solution of the Mormon problem lies in Christian Education.

2. NUMBER SUPPORTED. — Salt Lake College, with Gordon Academy; Proctor Academy, at Provo, Utah, and ten mission schools.

MISSION SCHOOLS.

BOUNTIFUL, Utah.	BARELAS, New Mexico.
COALVILLE, Utah.	SAN RAFAEL, New Mexico.
HEBER, Utah.	CUBERO, New Mexico.
LEHI, Utah.	SAN MATEO, New Mexico.
ATRISCO, New Mexico.	CABEZON, New Mexico.

3. AMOUNT OF AID REQUISITE. — $20,000 for the year.

4. RESULTS. — Several Congregational churches; thousands of children and youth instructed and protected from Mormon influence in past years; the introduction of public schools made imperative; and followed by the constant gift of the Christian leaven and a powerful stimulus for higher and truer standards. New Mexican homes and towns uplifted.

5. MORMONISM STILL POWERFUL. — The church organization remains unchanged; the missionaries are active at home and abroad, church schools are everywhere, and even the public school system, partly introduced under the stimulating influences of our own work, is coming increasingly under Mormon control.

6. MEXICANS IN THE UNITED STATES. — A quarter of a million, most of them poor, ignorant, and superstitious.

The gifts of those who were loyal and generous supporters of the New West Education Commission are imperatively needed and earnestly solicited for the future maintenance of the schools among the Mormons and Mexicans.

RECEIPTS.

Balance from previous year	$10,067 00	
Total receipts	137,305 00	
		$147,372 00

DISBURSEMENTS.

Total payments	$132,734 00	
Balance on hand, for investment	14,638 00	
		$147,372 00

Amount of money per year requisite to the efficient prosecution of the work of the Society in all its branches, not less than $250,000. The policy of the Society is wisely conservative. It proposes to give help where the investment is good; but it does not fail to enter new fields of assured promise. In order to do its work and meet its increasing demands, it asks the generous contributions of the churches by their regular methods, and the personal gifts of friends of Christian education.

FORM OF BEQUEST.

I do hereby give and bequeath to the "CONGREGATIONAL EDUCATION SOCIETY" the sum of —— dollars, to be paid within —— months after my decease, and to be applied to the uses and purposes of that Society.

☞ Fifty dollars constitutes an honorary membership.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; and to do whatever else — within the limits of its charter — shall serve to illustrate Congregational History and promote the general interests of the Congregational churches.

THE PAST YEAR.

This is the first full year in the new CONGREGATIONAL HOUSE. The experiment is already a financial success; for, although a few rooms are at present unoccupied, the income from the rest suffices to pay running expenses, to make a slight reduction in the debt, and to rebate a portion of the rentals of the benevolent societies. This last object has been kept steadily in mind from the beginning, and we rejoice in this practical evidence of the federation of all our benevolent work.

NEEDS.

We are carrying a heavy mortgage of some $200,000, expecting to reduce it a little each year by a sinking fund. But this is a slow process at best; and it is liable to be checked at any time by the chilling blight of financial stringency. We shall not be on a secure basis until the CONGREGATIONAL HOUSE is freed from every incumbrance. Friends outside of Boston, as well as those in the city, are urged to bear an honorable part in this work, and to send the treasurer liberal contributions for the discharge of the debt.

Another object which should appeal to all good Congregationalists is the proper maintenance of our Library. It is open freely to all for reference, and it contains books and pamphlets relating to both the historical and the religious side of Christian work. Many of these are especially prized on account of their age and rarity; but it is too seldom realized that history is being made as truly now as in any past era; and thus that the record of what is familiar to us, as we live through it, will be prized by the generations that come after us. The Congregational Library asks to be the common repository of the life of our churches. All publications of either ministers or laymen are welcome, especially those of ecclesiastical interest. For example: in two or three clusters of churches, East and West, it is the custom to send hither a copy of the minutes of each local council; the practice should become a general one. We ought also to receive hundreds of church histories, manuals, and year books that have not yet been sent to us. Will pastors and clerks please follow these suggestions before the subject is crowded out by the press of other matters?

The HOME MISSIONARY, a magazine published by the Society since 1828, is now issued quarterly at thirty cents a year, including postage. It gives a running account of the progress of the work in all parts of the country, largely from the pens of the superintendents and missionaries personally engaged in it. In CONGREGATIONAL WORK, the new monthly organ of the Six Congregational Societies, the pages allotted to Home Missions keep their readers in constant touch with the workers in all parts of the wide field, and present the freshest intelligence therefrom. The price is only ten cents a year. An ANNUAL REPORT sums up the results of each year. Leaflets and Tracts for the times are published as occasion calls and funds

allow, designed to help pastors, Sunday-school officers, and friends of home missions generally, in awakening and keeping alive an intelligent, practical, growing interest in the work. These may be had, free of charge, at any time, by addressing the officers of the Society at its rooms, Fourth Avenue and 22d Street, New York.

For seventy-four years the Society has been organizing churches in the West and South, and aiding in the support of their ministers till those churches are able to assume the whole expense. Its missionaries have from the first organized Sunday schools, provided proper teachers for them, and by watchful oversight have secured their permanence and growth into churches.

In connection with the labor of its missionaries, 6,555 churches (*a*) have been organized and 3,023 have come to self-support. It has collected and disbursed in cash, $18,482,044; and in clothing, books, and other supplies, largely the offerings of Christian women, $2,401,630; in all, $20,883,674. The additions to the churches have been 476,002.

The number of missionaries employed in its seventy-third year (1898–99) was 1,824, 1,239 of them in States and Territories west and south of the Middle States. They preached regularly in 2,895 stations, and at frequent intervals in many hundreds more. The number of Sunday-school and Bible-class scholars was 146,604. The additions to the churches were 7,794; 5,030 of them on confession of Christ. Churches organized, 34; reached self-support, 44.

The seventy-third year's receipts were, in cash, $516,245.79; in supplies, $60,189.05; in all, $576,434.84.

In 1883, a Woman's Department was opened. Its object is to interest the women of our churches all over the country, and through them the children, more directly in the work; not to the diminishing of their helpful labor in the way of home missionary boxes (of clothing, etc.), but to secure also their gifts of money for the support of missionaries all over the country, and for various special uses, as called for from time to time. Their aid in this line is steadily growing, but much more is needed.

The Society is doing much more work than ever before among the foreign-born in all parts of the country. At nearly every meeting the Executive Committee is urged, too often in vain for lack of means, to appoint chosen men for new fields at the front, where they are greatly needed, but where their support involves heavy outlay by the Society. For securing the means essential to the carrying on of this great work the Society depends, under God, on the zealous co-operation of the pastors and members of the Congregational churches of the land. At least $100,000 more than last year's receipts are required to carry on this work, besides an equal advance to meet indebtedness for work already done.

FIELD

Extends from the Atlantic to the Pacific, and from Porto Rico to Alaska. It includes, in the South, the Negroes and the Whites, especially those in the mountains; in the West the Indians; on the Pacific Coast the Chinese; and in Alaska the Eskimos; and in Porto Rico those of different races. Through its pupils it is reaching into Africa, China, Japan, Mexico, and Cuba.

PURPOSE AND METHOD.

The American Missionary Association is training a leadership from among these different races. This involves an

INDUSTRIAL LEADERSHIP.

To accomplish this the Association introduced, years ago, industrial training. Nearly every school furnishes this department of instruction. An Industrial Leadership is thus trained from among these people. It is not simply to instruct the few in handicraft, or to teach them a trade, but to give to the many, competent instructors of their own race, who shall lead them into better industrial activity and prepare them for economic development.

AN INTELLECTUAL LEADERSHIP

For these races is equally essential. This is also provided by the A. M. A. Normal institutes and academies, in which the best methods of modern teaching are pursued, are planted among these peoples, and hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of these races.

Intellectual Leadership is also furnished through the colleges and higher institutions. No race can be lifted up by means of industrial training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for.

THE MORAL AND RELIGIOUS LEADERSHIP

Of these peoples is also provided. Departments of biblical and theological instruction, in which ministers and missionaries are trained from these races for their own people, are provided by the Association. Character building is necessary. Religious life must be stimulated. High ethical and moral standards must be established. These great necessities can be met only by a well-trained moral and religious leadership from among those peoples whose high character shall appeal to that which is best in the race and furnish an object lesson.

Among the many different races reached by the work of the Association, a leadership is being trained from the people who represent these conditions of preparation and character.

EDUCATIONAL WORK

Includes universities, colleges, academies, normal schools, industrial schools and departments, and primary schools. Among its institutions are the following: Fisk University, Nashville, Tenn.; Straight University, Louisiana; Talladega College, Alabama; Tougaloo University, Mississippi; Tillotson College, Texas; Avery Institute, South Carolina; Le Moyne Institute, Tennessee; Ballard Normal School, Georgia. Mountain schools: Williamsburg Academy, Kentucky; Grand View Academy, Tennessee; Saluda Seminary, North Carolina; Green Academy, Alabama. Indian schools: Santee Normal and Training School, Nebraska. Ninety other Normal, Industrial, Graded, and Primary Schools.

CHURCH WORK

Is a missionary service almost entirely among the very poor. In the Indian fields it is having wonderful growth. In the Chinese fields, many pagans have come into the Christian life. In the Southern mountains a number of churches have been added and the interest of the people in the Congregational church life is being rapidly developed. In the Southern lowlands, also, there is a remarkable movement among the colored people towards free and pure churches.

MAGAZINE.

The American Missionary is published quarterly. New form, fresh material and generous illustrations characterize it for 1900. Pastors of contributing churches, Superintendents of Sabbath schools, College, and Theological Libraries and Societies of Inquiry on Missions will receive the *Missionary* upon application if so desired. Subscription *fifty* cents per year.

Money should be sent to the Treasurer of the Trustees of the National Council, Rev. S. B. Forbes, 206 Wethersfield Avenue, Hartford, Conn.

Ministers rarely come from wealthy families. They earn or borrow the means of education. Their salaries barely cover expenses; their removals are frequent, especially in home missionary fields; their earning time ends early; and their death lingers late. Less than a third of them die in harness; and more than half live past seventy. It ill becomes a great denomination to let any faithful missionary suffer extreme want in old age.

The National Council's Ministerial Relief Fund, now $118,000, furnishes an income of about $5,000 which is distributed in little pensions of from $25 to $200 a year, to aged or disabled Congregational ministers and missionaries, and their families. In 1899, fifty-nine persons or families received such aid. Within about a year, seven of our honored pensioners have been transferred at advanced ages to the Home of Perpetual Youth. All of them had rendered long and faithful, and some of them conspicuously efficient, service. A young home missionary's widow, out on the Pacific coast, bravely battling for bread for her four little children, gratefully writes of this work: "This kind action on your part has served to strengthen my faith in the loving Father's care of the widow and fatherless."

For fuller information, see Minutes of National Councils; write the Secretary for literature, free; invite him to address your church, conference, association, or Congregational Club. Give something for Ministerial Relief, State or National, every year.

Calendar. — The next seminary year begins on Wednesday, Sept. 19, 1900, and ends June 13, 1901; with a recess from Dec. 19 to Jan. 2.

Admission. — Students are admitted upon presentation of certificates of membership in some Christian Church, and of graduation at a college or university. Applicants who are not graduates will be required to pass an examination.

Course of Study. — The aim of the course is to prepare men thoroughly for the practical work of the ministry. The fundamental studies in the Old and New Testaments, the History of the Church, the system of Christian Truth, and the Work of the Preacher and Pastor, are prescribed; numerous elective courses enable students, in accordance with their interests and aptitudes, to pursue some of these subjects farther, or to take up others subsidiary to the main topics of instruction. To give students an actual acquaintance with the work of their calling and some experience in it, they are, as far as possible, associated individually with the pastors of churches, whom they assist in various ways and from whom they receive personal counsel and guidance.

Degree. — The degree of Bachelor of Divinity is conferred upon students who satisfactorily complete the three years' course of study; it is ordinarily required that the recipient hold a college degree.

Graduate Students. — Graduates in Theology pursue advanced studies and researches under the personal direction of the professors, and are admitted to such courses of lectures as they may elect.

Library and Museum. — The library contains over 50,000 volumes. A reading-room with a large and carefully-selected reference library is accessible to students at all hours. The museum contains the extensive collection made by Dr. Selah Merrill, illustrating especially the fauna of Palestine and the life of its people.

Location. — Andover is twenty-three miles from Boston, and is reached by the Western Division of the Boston and Maine Railroad in thirty-five to forty minutes.

For catalogues or further information address Professor George F. Moore.

The scope of the Bond Lectures is to be enlarged by the introduction of two courses of instruction—one in each half year—on scientific subjects, as Geology, Biology, Evolution, Comparative Religion, and the like. Six different courses will thus be given in three years. A course of eight pastoral lectures on practical matters of ministerial experience will also be given by pastors in active service in the field.

Expenses. — There is no charge for tuition, rooms, furniture, library, gymnasium, or any privilege of the Seminary. The dormitory is in good condition and the rooms are furnished. The income of the Washburn fund and some other funds, given expressly to aid members of the Seminary, will be appropriated to students whose circumstances require it, provided their character and scholarship are satisfactory. There is also a small loan fund for the temporary accommodation of those who need it.

Post-graduate Scholarships. — There are three scholarships established for the benefit of graduates of this Seminary; one to aid any student who remains to take a fourth year after graduating; and two at Bowdoin College, to assist students who, having graduated at the Seminary, may be admitted to the College for further study.

Preaching. — As it is believed to be conducive to the best professional training to combine practice with theory, students are allowed to exercise their gifts in holding meetings and in preaching as opportunities may offer, under the express approbation of the Faculty, it being provided that the prescribed exercises of the Seminary are not neglected. Facilities for such services are afforded in the missionary fields within reach of the Seminary.

Library. — The Seminary has an excellent library, numbering more than twenty thousand volumes, and a permanent library fund, with the income of which constant additions are made of the latest and most valuable literature.

COURSES OF STUDY.

First Year. — Courses covering in an outline manner all the fundamental branches of Theology, Exegesis of the Old and New Testaments, Church History, Homiletics, Systematic Theology, and Apologetics.

Second and Third Years. — Full and extended elective courses in all branches now acknowledged as requisite to thorough preparation for the work of the Ministry, with Exegetical, Theological and practical "Senior" courses. A "Chain Course" pursuing the same topic (the Atonement) successively through the various departments. The student has unlimited choice among these Electives, except that he must take ten hours per week, and fourteen "units" (equivalent to seven hours per week for a year) in some major elective.

FACILITIES.

The Seminary purposes to remove in the summer of 1900 from Oakland to Berkeley, the seat of the University of California. It thus is enabled to avail itself freely of the advantages of this University, among the foremost in the United States. There are 1,900 students in the Academic Departments at Berkeley, and nearly 3,000 in the entire University. The Library of the University, numbering about 80,000 volumes, and the special Theological Library of the Seminary (7,000 volumes), will afford large opportunities for special study. Preparation in the languages of China and Japan can be had in the Oriental Department of the University, or in medicine in the Medical School. The climate is remarkably even, constantly cool, stimulating, and favorable for study during the entire year, knowing nothing of debilitating Spring changes, or prostrating Summer heats.

TERMS OF ADMISSION.

The Seminary is open to students of every Christian denomination, to women as well as to men. Senior standing in the University of California, or its strict equivalent, is required for admission to the Theological course, though students having attained standing equivalent to Junior standing in the University may be received as "Sub-Juniors," under the care of the Faculty, to complete their preparation for Theology in the University, having some biblical work in the Seminary. A certificate of health from a competent physician will be required of every student. Special students may be received to such studies as they are found qualified to pursue, as in the University.

EXPENSES AND PECUNIARY AID.

Incidental Expenses amount to $9.00 per half-year. Board may be had in the Students' Club at about $2.50 per week. The Seminary and the American Education Society (the help of the latter however, being restricted to Congregational students) afford annual assistance; but in both cases upon condition of high scholarly work: the seminary aid is graduated upon merit basis from $75 to $175. There are a limited number of preaching stations in the neighborhood where advanced students may have the opportunity of practical work and of earning a portion of their expenses.

The Next Year begins Aug. 21, 1900. Address the President.

The Seminary aims (1) to develop a vigorous spiritual life as the only sound basis for scholarship and service, (2) to train in scientific methods of exegetical and historical research, (3) to discover the truth of God as revealed in the Scriptures, and the leading of his Spirit in history, in order to apply that truth in the realms of thought and endeavor, so as to meet the present needs of the world and promote the spread of his Kingdom.

Instruction is carried on by a large corps of professors whose fields are carefully defined and adjusted in their scientific relations. Emphasis is laid upon a close personal relation between instructor and pupil. About two thirds of the course are prescribed, and one third is to be selected from a list of about one hundred electives, offered in all the departments. The purpose is to use only the most scientific methods, both old and new. In the field of pastoral discipline extensive work is expected in preaching, in every variety of evangelistic and charitable organization, and in personal religious effort. Systematic instruction is given in singing and in elocution. Optional instruction is provided in German. Special and graduate courses are open to those who desire them. A thorough and comprehensive course in foreign missions will be open to regular and special students for the year 1900–1. Two fellowships (each for two years) for foreign study and five prizes are offered.

The degree of B. D., is conferred on those who complete, with credit, the three-years course.

The Apparatus includes a rapidly increasing library of over 75,000 volumes, containing several unique special collections, to which students have access day and evening, missionary museum and reading-room, gymnasium, music-room, etc.

Terms of Admission. — Candidates for admission must be members of some Christian Church and graduates of some college. Those who are not college graduates may, after examination, be admitted *on probation* during the first term.

All courses are open to *women* on the same terms as to men.

Expenses.— No charge is made for tuition, rooms, furniture and bedding, or use of the library and apparatus, except a nominal fee of $20 for use of steam and supervision. Board is provided at the Seminary under the care of the Students' Association, at $3.50 per week.

Scholarship aid is provided for those needing it, in addition to the grant from the Education Society.

Calendar.— The sixty-seventh year begins on Sept. 26, 1900, and closes on May 29, 1901. The various courses are arranged in three terms. Examinations are held at the close of each subject or principal topic.

The Seminary is open to students of all denominations. It has a full corps of Professors of its own and offers its students all the work essential to a theological training. In addition students are admitted to the College classes without charge.

Applicants for admission must present college diplomas, or satisfy the faculty by examination or certificate that they have had the equivalent of a college course. Upon graduation, the Academic Degree of Bachelor of Divinity is conferred.

The minimum requirement for all candidates for a degree is 1,440 hours of lectures and recitations. The most essential courses of each department are required; this work amounts to 817 hours. Hebrew being elective, the required amount of work in the Old Testament department may be done either in Hebrew Exegesis or in Introduction, Biblical Theology and Exegesis of the English Old Testament. In addition to the required work, a large number of elective courses is offered, aggregating 1,538 hours, from which each student elects at least 623 hours. These courses cover a large range of more advanced work in the several departments.

There are in the ministry many who have not received adequate training for it and who soon discover their need of theological study. The reasonable requirements for admission to the regular courses of theology place such training beyond the reach of many men of this class. In the interest of a better educated ministry the Seminary offers its advantages to a limited number of ordained ministers who have already held a pastorate, and who wish to enter upon theological studies for not less than a full year. They may enter such courses as they are prepared to pursue with profit, and will be given certificates for all work completed.

SLAVIC DEPARTMENT. — The object of this department is to train up pastors for the Slavic immigrants to this country. Thorough instruction is given in the Bohemian language. The course of study varies to suit the needs of individuals, and culminates in the regular Theological course.

SPEAR LIBRARY contains about fifty-three thousand volumes.

EXPENSES. — Council Hall, the Seminary building, has fully furnished rooms with hot water heat for fifty students. Those rooming here pay a moderate incidental fee, varying according to location of room. Other students pay a fee of $6. Aside from this fee there is no charge made by the Seminary. The price of board in Oberlin is from $2.00 to $3.00 a week. Other expenses are correspondingly low.

Pecuniary aid is granted to those who need it, from the Congregational Education Society, and from Seminary scholarship funds. The amount ordinarily received from the Education Society has not been less than $50. The Seminary funds are awarded for excellence in scholarship in the form of merit scholarships varying in amount from $50 to $100 each year. There is also a loan fund. There has generally been abundant opportunity for work in Home Missionary fields and elsewhere during the summer vacation of four months, and occasional preaching for remuneration is possible during term time.

The year of study consists of thirty-two weeks in two semesters. The next year begins Wednesday, Sept. 19, 1900. For further information address PROF. EDWARD I. BOSWORTH.

Relation to the University. — The Divinity School is one of the co-ordinate Departments of Yale University, which embraces also The Department of Philosophy and the Arts (including the Academical Department and the Sheffield Scientific School); The Department of Medicine; The Department of Law; together with the School of the Fine Arts, The Department of Music, and The Graduate School. The general advantages of the University are enjoyed by all its members in common. The Divinity students receive from the Corporation, on completing their three-years course, the degree of b. d., and are enrolled among the alumni of the University.

Courses of Study. — The studies are of two classes, prescribed and elective. The prescribed, given by the faculty, constitute 948 hours of work during the three years; the elective, constituting 270 hours of required work, may be taken from electives offered by the faculty of Divinity School or from other courses of collateral study given in the Graduate School of the University. Students at the close of the second year of study have the option of continuing as candidates for the degree of b. d., or of becoming, by enrolment in the Graduate School, candidates for the degree of ph. d. (requiring two more years of resident study).

Graduate or Fourth-Year Class. — Students of approved scholarship who have completed a three-years course of theological study, here or elsewhere, are admitted to the Graduate Class, in which advanced studies in Theology are pursued under the direction of the Professors. Scholarship aid, to a limited amount, will, at the discretion of the Faculty, be given to men of superior scholarship. Members of this class may become candidates for the degree of m. a. or for that of ph. d., by enrolment in the Graduate Department of the University.

The Graduate Fellowship, for the encouragement of further theological study in this country or abroad, the income of which is $600 for two years after graduation, is offered to the class entering in September, 1900.

Rooms and Expenses. — The rooms, which will accommodate one hundred and fifty students, are designed in general for only one occupant. Each room has a bedroom attached, and is carpeted and furnished with all needful furniture except bed clothing. The chief expenses of the session are, for board, $3.00 to $4.00 a week; fuel and light, $25 to $30; and $15 a year for care of room and incidental expenses.

Aid from Scholarship Funds. — Aid in general scholarships of one hundred dollars each is given to young men of approved scholarship and of promise of usefulness in the ministry, whose circumstances require it, in return for service rendered, under the direction of the Faculty, in religious or other similar work in connection with churches and public institutions in New Haven. Prize scholarships of one hundred dollars each and of fifty dollars each are also offered to students of exceptional rank in scholarship. The Congregational Education Society also grants fifty dollars a year to Theological students of approved scholarship and character, who are members of Congregational Churches and need such assistance.

Commencement of the Term. — The next term of study will begin on Thursday, Sept. 27, 1900, and continue until the third Wednesday in May (anniversary), when the vacation of four months, in which the students have the opportunity to engage in some form of remunerative labor, will commence.

Application for Admission. — The Seminary is open on equal terms to students of all Christian denominations. Applications for admission, or for the annual catalogue, may be made to the Secretary of the Divinity School, *New Haven, Conn.*

THE ANNUAL STATISTICS OF THE CHURCHES AND MINISTERS.

THE following pages contain the statistics as collected in 1899 by the statistical secretaries of the several State organizations, and compiled for this publication by the secretary of the National Council, under vote of the publishing committee. They are all of date 1 Jan., 1900, except that ministerial supply is, as far as possible, brought down to date.

The secretary, as heretofore, in no case presumes to insert or omit the name of church or minister on any authority but that of the State secretaries representing their own organizations, or of councils subsequent to the date of annual reports.

The contents of the statistics are as follows: —

1. The statistics of the churches and their ministers, by States.
2. Statistics of Sunday schools, independent and missionary.
3. List of Congregational ministers in foreign lands.
4. The National, State, and local organizations of the churches, with officers, and dates of next sessions in 1900–1901.
5. General summary tables for the year.
6. Tables of summaries, 1858–99.
7. Remarks upon the statistics.
8. Alphabetical list of ministers, with P. O. address, and indexed to pages.
9. Alphabetical list of licentiates.
10. List of ministers of other denominations supplying Congregational churches.

RULES OF COMPILATION.

1. To arrange in alphabetical order everything capable of it; except that the churches in any one town or city arranged, as they should be, under the name of that town or city, are placed according to age.

2. To make *new tables* each year. "Last year's report" (if known to be such) is always omitted. But, while old reports are not to be inserted in the table, the aggregate of such last reports from churches failing to report, in the items of church and Sunday-school membership, are included in the summaries. Justice to the churches which do report requires this, as their real progress may be apparently diminished or reversed, by lack of the figures from their less faithful neighbors. The special attention of State secretaries is called to this point, as it has often been disregarded. The list of churches of this year is compared, name by name, with that of last year, and all variations which change the place of the church on the list are specifically mentioned with the State summary, so that each church can be traced from year to year.

3. To examine carefully all the tables, with a view to *correction or addition* by correspondence, especially to correct "pastoral supply" to the latest moment. Proof sheets have been sent to secretaries and some home-missionary superintendents who could be reached in season. But no such changes have been allowed to affect the summaries.

4. The prime name in a table line is always supposed to be the name of the *place*, town or city, in which the church is located, as determined by the place of the meeting-house. This is also the name of its post-office, unless followed in line or margin by a name in **heavy-faced** type. In such cases the latter is the post-office, and THIS EMPHATIC TYPE in LINE or MARGIN, is USED EXCLUSIVELY FOR NAMES OF

POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale**." Postal designations are not repeated on the second page, and special church names are sometimes given in the second page line, for which there was not room in the first. In general, the two pages, being invariably opposite, are treated as one, and marginal references on the second page are made to foot-notes on the first, without repetition when they occur there.

MINOR EXPLANATIONS.

1. Any church given in brackets is one organized since January 1st; not included in the summary, but inserted for information. A few churches temporarily not associated are inserted by their own wish. A star (*) denotes churches not associated, except in California, where it marks the churches in Southern California.

2. Pastors installed or recognized by council are marked "*p. c.*"; pastors duly called by their churches and recognized by some "definite act of the church," but not by council, are marked "*p.*"; others in service are not marked, but in tabular summaries are counted as "supplies." Blanks in the column of pastoral supply, meaning *no* regularly engaged minister, are left blank for the convenience of those who note pastoral changes.

3. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS, and any person so using them runs his own risk of error. The General Alphabetical List of Ministers gives their post-offices. Special attention is called to this fact, which is often overlooked.

4. The two columns following the names of ministers in the tables of churches denote (1) the year of ordination, (2) the year when the minister was installed, or commenced service with that church.

5. A star (*) in the General Alphabetical List of Ministers denotes that the person so designated appears in the tables, reported by some church, as its minister, but is not reported to be a member of *any* association or conference of ministers or churches in the United States; or that he is found supplying some church, or did so as pastor by council last year and may be presumed to be *in transitu*, though his name is not in the State alphabetical list.

6. Licentiates are not reckoned as ministers. Churches supplied by such, or by ministers of other denominations, are reckoned as vacant; but the number of such churches is given in the Summary Tables. No ministers of other denominations (if so known) are inserted in the General Alphabetical List.

7. The names of some Congregational ministers are missing; but it is solely because they are not reported by any organization of churches or ministers.

8. Under "Church Members," "Absent" are included in "Males," "Females," and "Total." Under the head of "Removed," "Died," "Letter," and "Discipline" are represented by the abbreviations.

9. Blanks in any column of figures are such as were so left in the State Minutes. They ought always to signify "no report," but some States do not follow the proper rule of inserting a cipher where "none" is meant, and the examiner must conjecture, in any given case, whether "none" or "no report" is intended. In our General Summaries, a blank invariably signifies "no report."

Students of this table should remember that 1887 was a transition year. The reports from different States covered various periods from one to two years, to bring them down to the common date, Jan. 1, as ordered by the Council. For all New England, except Maine, two years are included, and the average for the whole country is 20 months. Hence the totals reported need to be reduced by two fifths for just comparison with other years. This would make the gain of members, 12,723; in Sunday schools, 17,822, and infant baptisms, 7,176.

LIST OF CONGREGATIONAL MINISTERS IN THE UNITED STATES.

REPORTED BY THE SEVERAL STATE ORGANIZATIONS.

The following is a compilation of the alphabetical lists furnished by the State Associations and Conferences, corrected by correspondence with their secretaries to the latest possible date. The secretary of the Council in no case presumes to insert or omit a name upon his own responsibility. The State organizations (or later councils) are alone responsible; but the secretary has used his utmost endeavors to obtain a complete and correct list. If any names are omitted, it is because they are not reported by any organization in any State, or a conflict of reports leaves the editor in doubt of the facts.

The figures refer to pages where the name will be found in the tables, in the Vital Statistics, in the service of the Benevolent Societies, of the Theological Seminaries, in the list of foreign missionaries. In some cases the *page* is left as in tables, when the post-office is changed since the tables were put to press.

Names starred (*) are of persons who, although mentioned (usually as supplying churches), are not reported as members of any organization of Congregational churches or ministers. A few names are also retained with a * of those who were in active service last year, and may be presumed to be *in transitu*. Such names are not continued a second year, without specific report.

Some post-office addresses are antiquated, but the best possible has been done.

Licentiates are not included in this list, but a list of licentiates follows this, and a list of ministers of other denominations, including also names of those whose position is not reported.

Names of persons in last year's list, deceased since the issue of 1899, are retained, and are indexed to the pages of the "Vital Statistics" when found there.

Some errors will be found in first names, initials, and spelling. No pains have been spared to secure accuracy; but, effort failing, the compiler has not ventured to follow even his own convictions, against the unmistakable testimony of the reports.

Names differing only in a single letter and pronounced alike are treated as one name, but spelled according to report. Browne, Clarke, Curtiss, Griffith, etc., and names beginning with Mac. or Mc. are among this number. Names beginning with Mc. or St. are arranged as if the word was not abbreviated.

Names of ministers without pastoral charge, as they do not occur in the preceding tables, have no numeral page reference, and in place of it the year of ordination is given.

Names of persons employed in instruction in schools and colleges are indicated by *pr.*, president or principal, and *pf.*, professor.

LIST OF LICENTIATES REPORTED.

THIS list contains the names of those apparently *reported as under care*, with references to the pages where any such are mentioned as supplying churches. It includes also some names starred (*), which denotes that these persons, while reported as supplying churches, are not reported to be approbated by, or under the care of, any Congregational organization.

Further. 1. This list does not agree with the number given in State Minutes, because all ordained since the lists were reported are here dropped. 2. The post-office addresses are often delusive, the place being that of temporary service only. 3. Names followed by State only are of persons approved in the State mentioned, no residence being reported. 4. The list is incomplete, because some States make no full report of licentiates. 5. The contracted name of a State in brackets means that the name was reported by that State, although the person may reside elsewhere.

THE LITERARY WORLD will save its cost to buyers of books many times over every year by guiding their judgment and selection.

THE LITERARY WORLD,

BOSTON, MASSACHUSETTS.

Now in its 32d year. The oldest Journal of Literature published in the United States.

INDEPENDENT, ORIGINAL, COMPREHENSIVE, INSTRUCTIVE, ENTERTAINING, SUGGESTIVE, HELPFUL.

The Literary World pursues undeviatingly its path as marked out at the first, and devotes its space exclusively to literary news and criticism. Its reviews are written by experts, its columns are carefully edited, its opinions are its own and are not for sale, it speaks its mind in the interest of its readers, it aims to form and guide judgment, to help book-buyers, to promote the writing, publishing, and circulation of good books.

While other workers in the same field have come and gone, this one has kept quietly but faithfully in its path, and continued to perform its duty, and has proved itself a journal to be depended upon.

The following testimonial is one of a great many. Write for our "Testimonial Sheet."

PUTNAM, CONN., March 3, 1900.

A. E. ADAMS, *Chairman Repair Committee "North Uxbridge Baptist Church," Whitinsville, Mass.:*

Dear Sir,—Replying to your note of inquiry I would say that we are highly gratified with the ceiling that The Penn Metal Ceiling and Roofing Company, Ltd., put into our church. It is fine, yes, the finest piece of work of the kind I ever saw.

The work is done in a first-class manner, and if it wears as well as it looks it will be the best thing in the ceiling line in this section. So far as our relations with The Penn Metal Ceiling and Roofing Company, Ltd., are concerned we find them every way satisfactory.

I can heartily recommend both the firm and their work, and doubt if you can do as well with any other parties.

Yours very truly,
(Signed) F. D. SARGENT,
Pastor Second Congregational Church,
Putnam, Conn.

We keep a large force of skilled mechanics and decorators constantly at work putting in place our metal ceilings and decorating the same. Drop us a line and our representative will call on you and give you prices for the metal put in place and decorated. We can also furnish you with wholesale prices for the metal material delivered at your railroad station.

CLOSET AND ALTAR

MEDITATIONS AND PRAYERS.

This little volume was made because many readers of *The Congregationalist* insisted that the Closet and Altar column should be put into a permanent form convenient for daily use.

A Vermont subscriber writes: "The book has been a great comfort to me and I wish I could give it to all my friends."

$1.00 Postpaid. **The Congregationalist,** **Boston, Mass.**

The Twentieth Century Religious Newspaper

THE CONGREGATIONALIST

True to its name and traditions is

The Recognized Representative of its Denomination.

Reporting the real news of churches and ministers in a newly adopted plan. It gives the facts of importance and interest and eliminates gossip and routine matters. Discussing the questions of theology and polity peculiar to Congregationalism. Describing missionary activities at home and abroad.

True also, to the ever increasing demands upon modern journalism it is

A General Religious Paper of the First Rank.

Its department, **"The Christian World,"** recently established, reflects and comments upon movements in all denominations, upon the advance of Christianity among young people, and on the important philanthropic enterprises of the day. It interprets each week the International Sunday School Lesson and provides aid and suggestion for the midweek and Y. P. S. C. E. prayer meetings. It surveys the field of Current Literature. It fosters home life and instructs and entertains members of the family circle. It presents a condensed and comprehensive view of the life of the world.

The paper this year is particularly rich in features. Its news departments, both denominational and general, have been amplified and improved, and its series of articles by such attractive writers as Cyrus Hamlin, Floyd Tomkins, Robert E. Speer and Prof. W. N. Clarke will make a notable showing for the last half of 1900.

One year, $3; two years, $5; five years, $10.00.

Club of FIVE, one at least being new, $10.00.

On trial, three months, 25 cents; six months, $1.00.

THE ADVANCE.

Thirty-third Year.

A CONGREGATIONAL

Devoted especially to the interests of the Congregational denomination throughout the country. Situated at the national centre of territory and population, as well as the largest educational and church centre of Congregationalism, it is in a position unequalled for observing and reporting Congregational life, which it does by a large force of regular and special correspondents.

RELIGIOUS

While endeavoring to give an intelligent review of all important events, political, social, and literary, from the religious point of view, an aspect much needed in this day of crowding materialism, the paper constantly aims to avoid being drowned in secularity, which has swallowed up some former religious journals. It therefore cultivates the devotional and evangelistic spirit, and seeks to bring out the realities of the deeper Christian life.

FAMILY

To win all to the best things, it strives to interest every member of the household from oldest to youngest. There are departments for each, for the household and the playroom, as well as for Church, Sunday-school and Endeavor Society.

NEWSPAPER

Specially aiming to summarize current history, religious and secular, and especially denominational, in attractive and instructive fashion. It therefore seeks the best in new newspaper ideas, aiming to be true to its name in adopting new features and improving old.

THE ADVANCE special writers have a national reputation. Its departments cover the various fields of religious and social life.

A New Sheldon Story deserves particular mention since all of Mr. Sheldon's most famous stories first appeared in THE ADVANCE. It is entitled **"Edward Blake: College Student,"** and deals not only with college problems, such as athletics, endowments, etc., but, being placed at the time of the Spanish-American war, will set forth the author's very decided views on war, imperialism, and the army canteen. The story began in the issue of April 12, and will continue into the fall.
